- Sensitize students about cleanliness of public places.

Summary of Visit:

Stay of "Sant Shri Dnyaneshawar Maharaj Palakhi" was in Phaltan on 15th July 2018 and it moved to next destination on 16th July 2018. On 19th July, 2018, College of Engineering, Phaltan, conducted Palakhital Cleaning activity at Vimantal, Phaltan. Cleanliness is our moral duty and a fundamental responsibility of an Indian citizen. It is necessary for all individuals to take part in their country's progress. Cleanliness is a regular practice that prevents the spread of disease causing organisms. Total 310 students and 49 faculties of our college participated in this activity. The activity was organized by COMPESA, MESA, CESA and EESA.

. The activity started at 9 A.M. sharp with good support of students and faculties. The students were happy and they fully participated in this activity. We are very thankful to Hon. Principal Dr. M. K. Phadatare, HODs of all departments and **IQAC** for their constant motivation and support for facilitation activity by our college.

Here are some glimpses of cleaning activity.

Sub: Appreciation letter for Cleaning of Palakhital activity by your institution at Phaltan airport.

Respected Sir,

Stay of "Sant Shri Dnyaneshawar Maharaj Palakhi" was in Phaltan on 15th July 2018 and it moved to next destination on 16th July 2018. We are very thankful to you and your institutions for arranging cleaning activity at Phaltan airport on 19th July 2018. After departure of "Sant Shri Dnyaneshawar Maharaj Palakhi" there was lot of garbage everywhere, this must be cleaned for better health. I am very happy to approach by your institute for cleaning activity at Phaltan airport which is carried out by 49 faculties and 310 students of your college.

I look forward for more activities useful for our city in future.

Thanking You.

Yours truly,
