About PES's College of Engineering, Phaltan

College of Engineering, works under umbrella of Phaltan Education Society, which was established in the Year 1951 by Hon. Shreemant Malojiraje Naik Nimbalkar with the dream of holding the hands of students in rural area around Phaltan. In 2011, AICTE gave approval to PES's College of Engineering with degree Engineering college having 4 branches. PES's COE presently has 5 UG courses including Artificial Intelligence and Data science. In 2013 Diploma Courses started under PES's COE with 2 branches, From 2023-24 Diploma in Computer Engg. and Civil Engg. started. College is spread over 14.8 acres of land. PES's COE is NAAC accredited in 2024 with A Grade and Diploma accredited by NBA for three years . We are having more than 100 teaching and non-teaching staff with more than 1000 students. Our beloved management is particular about development of skills to students through training activities throughout the year in planned manner. Institute has young and dynamic faculty members, adequate infrastructure which includes smart board enabled, Stepped Classrooms, Well Equipped Laboratories, Library with Reading Hall, Internet Facility, Training and Placement. Institute provides Transportation, Gymkhana, Canteen and Parking Facilities to all the stakeholders. In addition to technical knowledge our students inculcate social responsibility through various extension activities.
