Prof. Dr. M.V. Dalvi
Principal

D.5 Public Announcement System

A Public Announcement (PA) system is a dedicated communication network engineered to broadcast vital updates, notifications, and emergency alerts to a wide audience. At **PES's College of Engineering (COE), Phaltan**, a robust PA system is integrated across the campus to ensure seamless information flow.

These systems are installed at key advantage points throughout the college to facilitate the immediate dissemination of urgent notices or general information to both students and faculty. In addition to campus-wide coverage, PA systems are frequently utilized in more focused settings, such as the college seminar halls, for localized events and presentations.

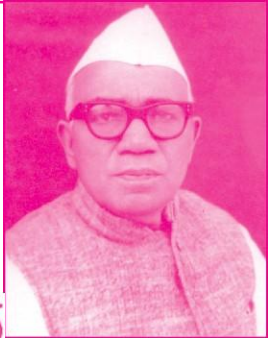

The daily academic routine commences with the playing of the National Anthem over the PA system, a moment during which all staff and students pause to stand in a display of collective respect and patriotism.

Sr.no	Dept	Count
1	Seminar Hall	2
2	Announcement Venues	2
3	Electronics and telecommunication Engg. Dept	1
4	Electronics and telecommunication Engg. Diploma Department	1
