D.13 AUDITORIUM/Shrimant Malojiraje Naik Nimbalkar Seminar Hall

The college institution offers a variety of resources to facilitate extracurricular pursuits associated with the arts, culture, creativity, and recreation. An indoor Seminar Hall with a built-up area of 132 square meters was constructed for cultural activities and can accommodate one thousand members. It was designed for the organization of various events. Students are encouraged to participate in numerous competitions at the collegiate, state, and national levels through the provision of financial assistance by the college. Each year, five significant cultural events were organized. A well-appointed, air-conditioned auditorium is at the disposal of the pupils to facilitate their participation in a variety of cultural activities. Additionally, the hall hosts the screening of curated motivational and inspirational films.
