ABOUT UNNAT BHARAT ABHIYAN POLICY

Igniting transformational change in rural development, Phaltan Education Society's, College Of Engineering Phaltan has been associated with Unnat Bharat Abhiyan from 2024 in order to ameliorate the rising problems ranging from increasing inequity leading to crime and violence to climate change due to rapid ecological degradation.

Promoting development of rural areas in the villages adopted like Jinti, Dalvadi, Taradgaon, Vidani, Jaoli Villages in Phaltan talukas satara district Phaltan Education Society's, College Of Engineering Phaltan is tied up with UBA activities which are in tune with the Gandhian vision of self-sufficient 'village republics', based on local resources and using decentralized, eco-friendly technologies so that the basic needs of food, clothing, shelter, sanitation, health care, energy, livelihood, transportation, and education are locally met. This has been our vision at Phaltan Education Society's, College Of Engineering Phaltan towards the holistic development of villages.

To work in tandem with the imperatives of sustainable development which are being felt more and more acutely all over the world and to serve the demand for eco-friendly development of the villages and creation of appropriate employment opportunities locally, Phaltan Education Society's, College Of Engineering Phaltan in association with UBA has been taking lead through active engagement at rural level.

The funds allocated by UBA are appropriately put to use in activities like household survey, providing technical support for rural development in the aspects of sanitation, education, agriculture, water management, waste management, technological innovation, digital literacy, organic farming, promotion of government welfare schemes like Swachh Bharat, Beti Bachao Beti Padhao, National Education Policy, Plantation, Health Camps, Yoga Awareness, Covid-19 Awareness etc.
