D.23. Availability of quality sanitary Napkins through Sanitary Napkin Vending Machines and ensuring Safe and Environment friendly disposal of used Sanitary Napkin.

Promoting Menstrual Hygiene: Sanitary Napkin Vending Machines and Sustainable Disposal Initiatives:

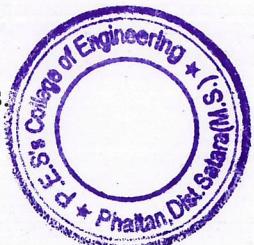

To promote menstrual hygiene, dignity, health, and comfort of girl students and women staff, the institution has taken initiatives to ensure easy accessibility of quality sanitary napkins within the campus. To address disposal concerns, eco-friendly sanitary napkin incinerators and scientifically managed waste disposal systems have also been implemented. The objective is to create a hygienic, supportive, and safe campus environment while reducing environmental impact.

Objectives

- To ensure uninterrupted availability of quality sanitary napkins within the campus.
- To provide privacy, convenience, and dignity to female students and staff.
- To reduce absenteeism and health issues related to menstrual hygiene.
- To ensure scientific, safe, and environment-friendly disposal of used sanitary napkins.
- To create awareness regarding menstrual hygiene and environmental responsibility.

Sanitary Napkin Vending Machine:

- Fully automated vending machines installed at accessible female washrooms / common girls' rooms / hostels.
- Adequate stock maintained to ensure availability throughout the year.
- Napkins supplied from reputed brands meeting hygiene quality standards.
- Regular refilling done by responsible staff / appointed vendor.

Sanitary Napkin Vending Machine at Girls Washroom

Disposal Facilities

- Electrically operated sanitary napkin incinerators installed in girls' washrooms / designated disposal rooms.
- Machines ensure complete burning of used napkins at high temperature to avoid infection risk.
- Ash trays provided; ash disposed safely as per sanitation guidelines.
- Waste collection bins provided with proper signage.
