Title: Report on Kho-Kho (Girls)

Introduction:

The **Department of Computer Engineering** at *Phaltan Education Society's College of Engineering, Thakurki*, successfully organized a **Girls' Kho-Kho Competition** on **Tuesday, 18th March 2025**, on the college sports ground. This interdepartmental sports activity was part of the department's annual extracurricular program.

The event was inaugurated by **Prof. Dr. N. G. Narve** (Principal), and guided by **Mr. T. M. Shendage** (Physical Director). The program was coordinated by **Mrs. S. D. Mohite**, supported by event volunteers and faculty members. A large number of students were present as participants and spectators, creating a lively and energetic atmosphere.

Objectives:

- To foster **physical fitness, discipline, and sportsmanship** among girl students.
- To revive interest in traditional Indian sports like Kho-Kho.
- To encourage **team collaboration** and leadership skills through active participation.
- To provide students with a **refreshing break from academic routine** while learning the values of fair play.

Organizers and Participants:

- **Organized by:** Department of Computer Engineering
- **Participants:** Girl students from various branches of **Degree and Diploma** programs.

➤ **Faculty Involvement:**

- **Event Coordinator:** Mrs. S. D. Mohite
- **Physical Director & Match Official:** Mr. T. M. Shendage
- **Team Registration In-charge:** Prof. S. S. Nikude

Description of Events/Activities (In Short):

A total of **three teams** competed in the tournament, which followed the **knockout format**. Each match comprised **two innings** — one for chasing and one for defending — of 9 minute each. The matches were filled with enthusiasm, tactical game play, and high team spirit. Players demonstrated exceptional reflexes, coordination, and stamina during the competition. The event progressed smoothly with fair officiating and an engaged crowd cheering for their peers.

Photos of the event:

Title: Report on Kabaddi (Degree Girls)

Introduction:

The Civil Engineering Department of PES's College of Engineering, Phaltan successfully organized an exciting Kabaddi Tournament as part of the Youth Festival celebrations on **5th March 2025** at the college playground. The event aimed to promote sportsmanship, teamwork, fitness, and a competitive spirit among students, fostering overall personality development along with academic excellence. Kabaddi, being one of India's most popular and indigenous sports, provided an energetic platform for the youth to showcase their strength, agility, and strategic skills.

The tournament was conducted under the expert guidance and fair supervision of Referee **Mr. Sachin Guldagad Sir**, ensuring disciplined gameplay and adherence to official rules. The event coordination and support were efficiently managed by Prof. Ms. Gaikwad J. D. Madam along with the Civil Department staff, who encouraged students to actively participate.

A total of 40 students enthusiastically participated in the Kabaddi sport, demonstrating remarkable enthusiasm, team coordination, and competitive spirit. Their active involvement made the event vibrant and memorable, marking the Youth Festival as a successful and inspiring celebration for the college community.

Objectives

The main goals behind organizing the Kabaddi Tournament during the Youth Festival were to promote holistic development among students by encouraging them to engage in physical activities that enhance strength, stamina, and overall fitness. The event aimed to develop teamwork and coordination, as Kabaddi is a sport that requires unity, cooperation, and strategic collaboration among team members. Another important objective was to nurture leadership qualities and decision-making skills by providing students with a platform to demonstrate confidence, planning, and quick judgment during the game. Overall, the event was organized

Vision

Mission

- To prepare specially rural students for a productive and rewarding career in engineering profession.
- To impart value added technical and soft skills for attaining excellence in Career
- To develop responsible citizens with ethical values.

Team captains during the toss before the Kabaddi match.

to build sportsmanship, discipline, and a spirit of healthy competition, thereby contributing to the all-round personality development of the students.

Organizers and Participants

- Sport organized by Civil Engineering Department, PES's College of Engineering Phaltan.
- **Sport Coordinator:** – Prof. Mr. T. M. Shendage.
- **Event Coordinator:** - Prof. Ms. J. D. Gaikwad

Description of Sport:

Kabaddi is a traditional Indian team sport that emphasizes physical strength, quick reflexes, and strategic planning. The game is played between two teams, where a player called the “raider” enters the opponent’s court to tag as many defenders as possible and return safely to their side while continuously chanting “Kabaddi.” The opposing team tries to stop the raider through coordinated defense and tackling.

Vision

Phaltan Education Society's College of Engineering aspires to be recognized as the college of first choice for excellence in technical education.

Mission

- To prepare specially rural students for a productive and rewarding career in engineering profession.
- To impart value added technical and soft skills for attaining excellence in Career
- To develop responsible citizens with ethical values.

Energetic moments captured from the Kabaddi Tournament at PES's COE Phaltan

Youth Festival Kabaddi event filled with enthusiasm and sportsmanship

The sport encourages teamwork, stamina, agility, and mental alertness, making it an exciting and engaging activity that promotes both physical fitness and discipline among players.

Report on Cricket Girls

Introduction:

The Girls Cricket Tournament was successfully organized by the **Mechanical Engineering (Diploma) Department** of Phaltan Education Society's College of Engineering as part of the **Youth Festival 2K25**. The event was conducted from **04/03/2025 to 06/03/2025** at the **Front Ground of PES's College of Engineering**, during two time slots each day: **10.00 am – 12.00 noon** and **4.00 pm – 6.00 pm**.

Objectives

- To promote sportsmanship and teamwork among girl students.
- To enhance physical fitness and healthy competition.
- To encourage participation of girl students in sports activities.

Organized by: Mechanical Engineering (Diploma) Department, PES's College of Engineering.

Event Coordinator: Prof. Mrs.N.S.Yewale

Sports Coordinator: Prof.Mr. T. M. Shendage

Participating Teams:

1. Degree FY & SY AIDS
2. Diploma SY Mechanical
3. Diploma FY Computer
4. Diploma SY Computer
5. Diploma TY Mechanical

Vision

Phaltan Education Society's College of Engineering aspires to be recognized as the college of first choice for excellence in technical education.

Mission

- To prepare specially rural students for a productive and rewarding career in engineering profession.
- To impart value added technical and soft skills for attaining excellence in Career
- To develop responsible citizens with ethical values.

PES's College of Engineering, Phaltan
Academic Year 2024-25
Youth Festival 2025
Carrom Board Competition

❖ **Introduction**

The Carrom Board Competition was conducted under the banner of the Youth Festival 2025 at PES's College of Engineering, Phaltan. The event aimed to encourage sportsmanship, concentration, and teamwork among students. Total 31 Participants from various departments actively took part, making the event successful and competitive.

❖ **Event Details**

Event Name: Youth Festival – Carrom Board Competition

Date : 04th Marh – 05th March 2025

Venue: PES's College of Engineering, Phaltan (Degree Building)

Organized By: PES's College of Engineering, Phaltan

Event Coordinator: Prof. Mrs M. S. Khilare

Sports Coordinator: Prof. T. M. Shendage

❖ **Objectives of the Event**

- To promote indoor sports culture in the college.
- To enhance students' concentration and strategic thinking.
- To encourage healthy competition among students.
- To provide a platform for students to showcase their talent.

❖ **Competition Format**

- The competition was held in a knockout format.
- Separate rounds were conducted for boys and girls

❖ **Results**

Position	Name of Student	Class/Branch
Winner	Ishika Nakate	S.Y. E&TC
Runner up	Pratiksha Jadhav	S.Y. E&TC

❖ Conclusion

The Carrom Board Competition was conducted successfully with active participation from students and support from faculty. The event helped in building confidence and fostering sportsmanship among students.

Title: Report on :-- Kabbadi (Girls)

Introduction: Our college successfully organized Kabaddi matches on 5th and 6th March 2025. The event brought great excitement as students from various departments participated with enthusiasm and team spirit. The matches showcased strength, skill, and coordination, creating an energetic sports atmosphere on the campus. Overall, the event helped promote fitness, discipline, and sportsmanship among students.

Date of event held: 05/03/2025 to 06/03/2025

Time : 10.00am -12.00 noon & 4.00pm to 6.00pm

Venue: Front Ground of PES's College of Engineering, Phaltan.

Objectives: The main goals of organizing the Kabaddi event were to promote physical fitness, teamwork, and sportsmanship among students. The event aimed to provide a competitive platform for showcasing skills while encouraging discipline, confidence, and leadership. It also focused on preserving India's traditional sport and increasing active participation in extracurricular activities for overall student development.

Title: Report on Volleyball (Boys)

Introduction:

The Volleyball Tournament was organized with the aim of promoting physical fitness, team spirit, strategic thinking, and healthy competition among the students of PES's College of Engineering, Phaltan. The event provided a platform for students from different departments and academic years to come together, interact, and strengthen the culture of sportsmanship on campus. Through this tournament, the college encouraged students to adopt an active lifestyle and understand the importance of discipline, coordination, and collaboration in sports.

Objectives: The main objectives behind organizing this volleyball tournament were:

- To encourage physical fitness: Students were motivated to participate in a high-energy sport that improves stamina, reflexes, and overall health.
- To develop teamwork and cooperation: Volleyball requires constant communication and coordination, helping participants learn the value of working together effectively.
- To build competitive spirit: The event aimed to instill a healthy competitive attitude, encouraging players to give their best while respecting opponents.
- To identify and promote sports talent: The tournament served as an opportunity to discover skilled players who can represent the college in inter-collegiate competitions.
- To foster discipline and time management: Participants learned the importance of punctuality, commitment, and following tournament rules and schedules.
- To strengthen bonding among students: Students from different branches participated and interacted, creating a sense of unity and mutual respect.

Organizers and Participants

- **Event Name:** Youth Festival 2025
- **Organized By:** PES's College of Engineering, Phaltan - Youth Festival 2025
- **Venue:** PES College of Engineering Volleyball Ground
- **Event Date:** 4th March to 6th March 2025
- **No. of Participants:** 52

Outcome & Achievements

- The tournament successfully identified talented volleyball players capable of representing the college at inter-collegiate sports events.
- Students gained hands-on experience in teamwork, leadership, and managing pressure.
- The event strengthened the sports culture of the college, motivating many new students to take an interest in volleyball.
- Winners and runners-up boosted their confidence and received appreciation from faculty and the student community.

Google Photos:

Conclusion

The Volleyball Tournament organized by the PES's College of Engineering, Phaltan -Youth Festival 2025 was a grand success. It provided an excellent opportunity for students to enhance their physical abilities, sportsmanship, discipline, and team cooperation. The enthusiastic participation and positive feedback from students reaffirmed the importance of conducting such events regularly. The college intends to continue promoting sports and overall student development through similar activities in the future.

PES's College of Engineering, Phaltan
Academic Year 2024-25
Youth Festival 2025
Carrom Board Competition

❖ **Introduction**

The Carrom Board Competition was conducted under the banner of the Youth Festival 2025 at PES's College of Engineering, Phaltan. The event aimed to encourage sportsmanship, concentration, and teamwork among students. Total 31 Participants from various departments actively took part, making the event successful and competitive.

❖ **Event Details**

Event Name: Youth Festival – Carrom Board Competition

Date : 04th Marh – 05th March 2025

Venue: PES's College of Engineering, Phaltan (Degree Building)

Organized By: PES's College of Engineering, Phaltan

Event Coordinator: Prof. Mrs M. S. Khilare

Sports Coordinator: Prof. T. M. Shendage

❖ **Objectives of the Event**

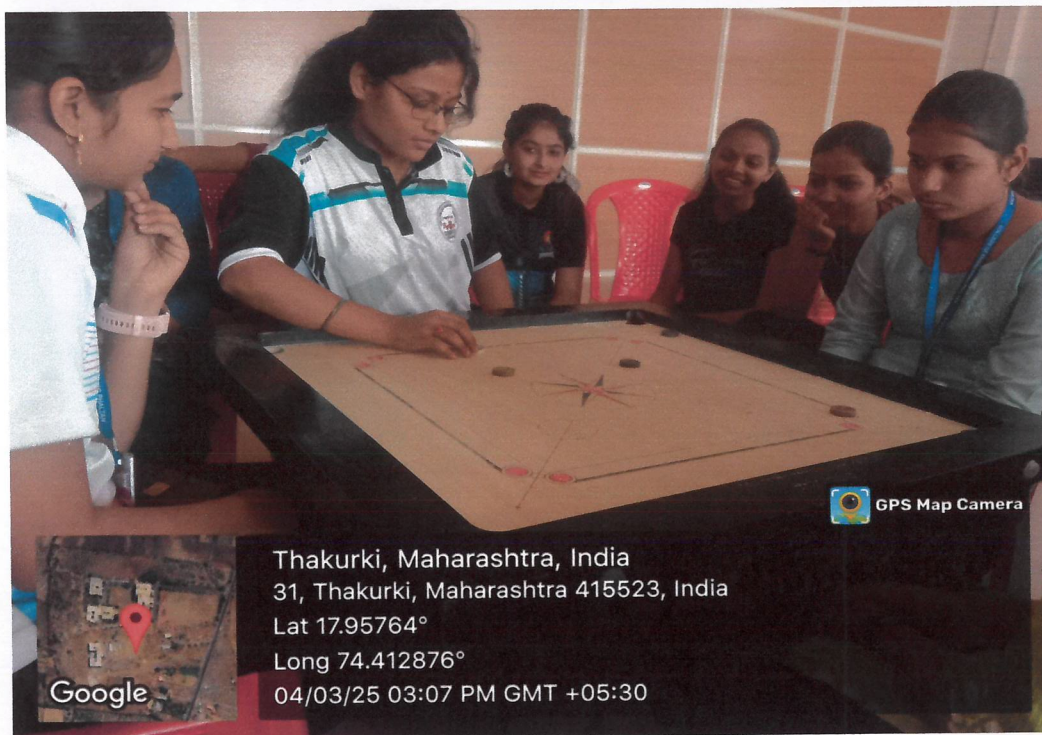

- To promote indoor sports culture in the college.
- To enhance students' concentration and strategic thinking.
- To encourage healthy competition among students.
- To provide a platform for students to showcase their talent.

❖ **Competition Format**

- The competition was held in a knockout format.
- Separate rounds were conducted for boys and girls

❖ **Results**

Position	Name of Student	Class/Branch
Winner	Ishika Nakate	S.Y. E&TC
Runner up	Pratiksha Jadhav	S.Y. E&TC

❖ Conclusion

The Carrom Board Competition was conducted successfully with active participation from students and support from faculty. The event helped in building confidence and fostering sportsmanship among students.
